DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On February 26, 2019, IDWR filed a Director's Report for David S and Margaret E Pennie's Water Right No. 95-12997 for domestic purposes.

On September 9, 2020, Special Master Booth reviewed water right 95-12997 for issuance of partial decree. In his review, he found an error in the place of use description. The place of use description should be T48N, R06W, S12, NWNE. The Amended Director's Report corrects the place of use description.

The Director submits for filing with the Court Amended Director's Reports for the aforementioned subcases (see attached recommendations).
